Bicycle & Urban Trails Plan | Open House Schedule

Imagine a system of trails and shared use paths that **CONNECT** you to the places where you live, work and play. Now imagine a system that would **PROTECT** you with areas separated from cars – increasing opportunities to safely bike around town, regardless of your age or biking ability. Don't miss these important open houses – where you'll get a chance to weigh in with your ideas on Austin's Bicycle and Urban Trails Plan.
